Ernst Publishing Recruits Mike Fletcher for Key Position

Fletcher, a 30-year veteran of the industry, will develop new mortgage lender accounts

ALBANY, NY—February 1, 2016—Ernst Publishing Company, the leading provider of technology and closing cost data for the real estate and home finance industries for the past 26 years, announced today that industry veteran Mike Fletcher has joined the company as Director of Strategic Accounts focusing on the lending market. In his new position, Fletcher will be focused specifically on solutions for large lenders including the addition of new partners and strategic alliances.

“I am very pleased that Mike has joined Ernst and will fill this important position,” said Gregory E. Teal, president and chief executive officer of Ernst Publishing. “This is a critical time for mortgage lenders. They need solutions they can count on, delivered by people they can trust. That describes the company we’ve built and the solutions we provide. I’m very glad to have Mike with us to share this information with the lenders that need us now.”

Fletcher has more than 30 years of experience, including positions in operations and sales for lending, technology and mortgage process outsourcing. In all of his roles, he has focused on bringing value to his clients by taking complex problems and delivering simple solutions in a timely manner.

“Everyone is busy, so attention to detail is important, but you can’t lose sight of the big picture that businesses are delivering a service,” Fletcher said. “Today’s environment demands accurate data and new tools to manage it with greater transparency. At Ernst Publishing, we are on the cutting edge of that opportunity; and, the need for greater transparency is not likely to go away anytime soon. I’m very glad to be part of this company.”

To contact Mike Fletcher, dial 800-345-3822 ext 304.

About the Ernst Publishing Company

The Ernst Publishing Company has been the leading authority on land recording requirements for more than two decades. In fact, Ernst’s recording fee, transfer tax and title data have been integrated throughout the title and lending industries. Legal requirements have made accurate recording fees and taxes for recording documents

more important than ever. Ernst excels at creating solutions for their clients to manage not just those fees—but also all vendor fees—with unparalleled precision. As a company, our goal is simple: Empower clients to not only meet CFPB’s new compliance regulations for the Loan Estimate, but set the industry standard for client satisfaction, an attainable goal due to our patented technology, impeccable data standards, expertise at creating custom solutions, and network of partners. Ernst’s patented solutions are trusted and used by 9 of the nation’s top 10 mortgage servicers, all 5 of the top title underwriters and 9 out of 10 mortgage originators nationwide, including 9 of the 10 largest banks.
