### **Ernst Named a Top 50 Service Provider by Mortgage Technology Magazine**

*A new list of industry leading firms ranks Ernst Publishing among the industry's leaders*

**ALBANY, NY—May 18, 2014—**Ernst Publishing Company, the leading provider of technology and closing cost data for the real estate and home finance industries for over 25 years, announced today that the company has again been listed among the Top 50 Mortgage Service Providers in Mortgage Technology magazine. The list was published in the Summer 2014 issue.

“We’re very pleased to have been recognized once again as one of the Top 50 mortgage industry service providers,” said Gregory E. Teal, president and chief executive officer of Ernst Publishing. “Our reputation for delivering accurate information and innovative solutions to mortgage lenders is something our team works on every single day. Being ranked among the leaders in our industry by such an important trade publication is a great honor that we sincerely appreciate.”

Ernst publishing has doubled in size over the past five years, increasing the number of people it employs in every department. In 2012, the company earned its first U.S. patent for technologies it has developed. Ernst processes more than 150,000,000 transactions annually through a variety of delivery channels. For more information about job opportunities with the company, contact Ernst.

#### **About the Ernst Publishing Company**

Celebrating 25 years in business, Ernst Publishing Company continues to be the leading authority on land recording requirements in the nation. In fact, Ernst’s recording fee, transfer tax and title data have been integrated throughout the title and lending industries. Due to CFPB requirements that went into effect in January 2010, accurate recording fees and taxes for recording documents have never been more important. Ernst excels at creating solutions for their clients to manage not just those fees—but also all vendor fees—with unparalleled precision. As a company, our goal is simple: Empower clients to not only meet CFPB’s new compliance regulations for Blocks 4-8, but set the industry standard for client satisfaction, an attainable goal due to our patented technology, impeccable data standards, expertise at creating custom solutions, and network of partners. Ernst’s patented solutions are trusted and used by all 10 of the nation’s top banks, all 5 of the top title underwriters and 9 out of 10 originators nationwide.
