Ernst Makes Exclusive List of Top 50 Service Providers

A new take on the industry's leading firms puts Ernst Publishing at top of the industry

ALBANY, NY—January 27, 2014—Ernst Publishing Company, the leading provider of technology and closing cost data for the real estate and home finance industries for the past 25 years, announced today that the company has been listed among the Top 50 Mortgage Service Providers in America by Mortgage Executive magazine. The listing was published in the 4Q 2013 issue.

“We’re very pleased to have made this list and to be among this group of distinguished service providers,” said Gregory E. Teal, president and chief executive officer of Ernst Publishing. “After 25 years of serving this industry, it is nice to know that the vital information we provide to lenders is appreciated and recognized by the editors who cover our industry. As for our client base, we strive every day to continue to provide accurate, innovative solutions that have won us their trust and continued business.”

Over the past five years, Ernst publishing has doubled in size, increasing the number of people it employs in every department. In 2012, the company earned its first U.S. patent for technologies it has developed. Ernst processes more than 150,000,000 transactions annually for its clients through a variety of delivery channels. For more information about job opportunities with the company, contact Ernst.

About the Ernst Publishing Company

The Ernst Publishing Company has been the leading authority on land recording requirements for more than two decades. In fact, Ernst’s recording fee, transfer tax and title data have been integrated throughout the title and lending industries. Due to RESPA requirements that went into effect in January 2010, accurate recording fees and taxes for recording documents have never been more important. Ernst excels at creating solutions for their clients to manage not just those fees—but also all vendor fees—with unparalleled precision. As a company, our goal is simple: Empower clients to not only meet RESPA’s new compliance regulations for Blocks 4-8, but set the industry standard for client satisfaction, an attainable goal due to our patented technology, impeccable data standards, expertise at creating custom solutions, and network of partners. Ernst’s patented solutions are trusted and used by all 10 of the nation’s top banks, all 5 of the top title underwriters and 9 out of 10 originators nationwide.
