Ernst Publishing Named Ellie Mae Experience 2017 Sponsor

Fifth Annual Event Returns to Las Vegas

ALBANY, NY—March 7, 2017—Ernst Publishing Company, the leading provider of technology and closing cost data for the real estate and home finance industries for the past 27 years, today announced that it is a sponsor of Ellie Mae Experience 2017. The conference will be held March 6-8, 2017 at the Wynn Hotel in Las Vegas, Nevada. This year's conference theme, "License to Succeed" encourages attendees to learn about the latest technologies defining the mortgage industry while offering training, solutions, and networking to improve compliance, loan quality and efficiency.

Ernst recently announced that users of Ellie Mae's loan origination technology now have easy access to Ernst services, including access to its patented closing cost and fee engine, through a new partnership.

"We're very pleased to be attending this important industry conference," said Gregory E. Teal, president and chief executive officer of Ernst Publishing. "Experience will bring together a large community of mortgage industry professionals and Encompass users for three days of learning, growing, and networking. We're excited to be part of it."

"Ellie Mae Experience 2017 celebrates the success of our customers, connects thought leaders and showcases how innovation can change the face of mortgage automation," said Jonathan Corr, President and CEO of Ellie Mae. "Experience attendees will learn firsthand how working with Ellie Mae and partners like Ernst Publishing can help improve processes and reach new levels of customer success."

Ernst programs processed 250 million real estate transactions in 2016, making it the most used technology of its kind in the industry. Since the company was founded 27 years ago, Ernst has processed well over 1 billion transactions and unveiled dozens of technologies and products that produce efficiency across the real estate industry. CEO Gregory E. Teal is a Mortgage Banking magazine Tech All-Star. The firm estimates that its patented technology is in use for 90% of the nation's new loan originations and refinance transactions.

Ellie Mae Experience 2017 will bring together 3,000 mortgage industry professionals for three days of specialized tracks, breakout sessions, training, networking and keynotes.

To learn more about Ellie Mae Experience 2017, visit <http://experience.elliemae.com>. Attendees interested in finding out more about Ernst's patented closing cost fee search engine solutions or its Settlement Agent Gateway TRID compliance suite should visit the company in Booth 615.

About the Ernst Publishing Company

The Ernst Publishing Company has been the leading authority on land recording requirements for more than two decades. In fact, Ernst's recording fee, transfer tax and title data have been integrated throughout the title and lending industries. Legal requirements have made accurate recording fees and taxes for recording documents more important than ever. Ernst excels at creating solutions for their clients to manage not just those fees—but also all vendor fees—with unparalleled precision. As a company, our goal is simple: Empower clients to not only meet CFPB's new compliance regulations for the Loan Estimate, but set the industry standard for client satisfaction, an attainable goal due to our patented technology, impeccable data standards, expertise at creating custom solutions, and network of partners. Ernst's patented solutions are trusted and used by 9 of the nation's top 10 mortgage servicers, all 5 of the top title underwriters and 9 out of 10 mortgage originators nationwide, including 9 of the 10 largest banks.
