Ernst to Sponsor Mortgage Cadence's Ascent Live 2017

Ernst to send team to important industry user conference hosted by company partner

ALBANY, NY—April 6, 2017—Ernst Publishing Company, the leading provider of technology and closing cost data for the real estate and home finance industries for the past 27 years, announced today that the company would sponsor for Mortgage Cadence's Ascent Live 2017 Event, taking place in Colorado Springs, April 11-13, 2017.

"We are proud to be involved with Mortgage Cadence's annual user conference, which gathers the industry's top tier lenders in pursuit of positive change," said Jan Clark, Senior Vice President of Sales and Marketing at Ernst Publishing. "Mortgage Cadence has been a good partner. Through our relationship, more lenders have had access to guaranteed accurate closing cost information, allowing them to close more loans without fear of noncompliance. We're looking forward to a great conference."

Mortgage Cadence's annual user conference, Ascent Live, brings together the industry's top lenders and partners to energize the lending scene for the year ahead. This year, we plan to help power change in the industry with all-new role-specific tracks, key subject matter experts, and the latest on product advancements and industry trends. The week promises to spark excitement industry-wide - all from the comfort of The Broadmoor in Colorado Springs, Colorado.

Ernst programs processed 250 million real estate transactions in 2016, making it the most used technology of its kind in the industry. Since the company was founded 27 years ago, Ernst has processed well over 1 billion transactions and unveiled dozens of technologies and products that produce efficiency across the real estate industry. CEO Gregory E. Teal is a Mortgage Banking magazine Tech All-Star. The firm estimates that its patented technology is in use for 90% of the nation's new loan originations and refinance transactions.

About the Ernst Publishing Company

The Ernst Publishing Company has been the leading authority on land recording requirements for more than two decades. In fact, Ernst's recording fee, transfer tax and

title data have been integrated throughout the title and lending industries. Legal requirements have made accurate recording fees and taxes for recording documents more important than ever. Ernst excels at creating solutions for their clients to manage not just those fees—but also all vendor fees—with unparalleled precision. As a company, our goal is simple: Empower clients to not only meet CFPB’s new compliance regulations for the Loan Estimate, but set the industry standard for client satisfaction, an attainable goal due to our patented technology, impeccable data standards, expertise at creating custom solutions, and network of partners. Ernst’s patented solutions are trusted and used by 9 of the nation’s top 10 mortgage servicers, all 5 of the top title underwriters and 9 out of 10 mortgage originators nationwide, including 9 of the 10 largest banks.
