### **Ernst to Sponsor Black Knight 2017 Users Conference**

*Ernst to send team to important industry user conference hosted by company partner*

**ALBANY, NY—April 18, 2017**—Ernst Publishing Company, the leading provider of technology and closing cost data for the real estate and home finance industries for the past 27 years, announced that the company would be an exhibitor at Black Knight’s 34th annual Information Exchange, taking place April 23 - 26, 2017, at the Hilton Orlando hotel in Orlando, FL.

“We are proud to be involved with Black Knight’s annual user conference, which gathers many of the industry’s top lenders in pursuit of cutting edge solutions,” said Jan Clark, Senior Vice President of Sales and Marketing at Ernst Publishing. “Many Ernst clients access a variety of our services ranging from standard fees to our patented closing cost and fee engine through Black Knight’s various offerings and subsidiaries. We look forward to the opportunity to visit with our clients and BKFS partners about providing them with our next generation of cooperative solutions in 2017.”

Black Knight’s Information Exchange (IE) conference is a premier knowledge-sharing and networking event for mortgage and lending professionals from across the U.S. More importantly, this annual conference offers Black Knight clients and business partners the opportunity to provide insight on specific challenges they are facing that will help us improve our solutions to better meet their needs. This year’s conference theme is Ignite Excellence, which Black Knight writes on its conference website, “reflects the information and insight we hope everyone will gain as we spark ideas about new technologies, industry trends and ways to overcome business challenges.” Black Knight expects more than 1,000 attendees at this year’s event.

Ernst programs processed 250 million real estate transactions in 2016, making it the most used technology of its kind in the industry. Since the company was founded 27 years ago, Ernst has processed well over 1 billion transactions and unveiled dozens of technologies and products that produce efficiency across the real estate industry. CEO Gregory E. Teal is a Mortgage Banking magazine Tech All-Star. The firm estimates that its patented technology is in use for 90% of the nation’s new loan originations and

refinance transactions.

### **About the Ernst Publishing Company**

The Ernst Publishing Company has been the leading authority on land recording requirements for more than two decades. In fact, Ernst's recording fee, transfer tax and title data have been integrated throughout the title and lending industries. Legal requirements have made accurate recording fees and taxes for recording documents more important than ever. Ernst excels at creating solutions for their clients to manage not just those fees—but also all vendor fees—with unparalleled precision. As a company, our goal is simple: Empower clients to not only meet CFPB's new compliance regulations for the Loan Estimate, but set the industry standard for client satisfaction, an attainable goal due to our patented technology, impeccable data standards, expertise at creating custom solutions, and network of partners. Ernst's patented solutions are trusted and used by 9 of the nation's top 10 mortgage servicers, all 5 of the top title underwriters and 9 out of 10 mortgage originators nationwide, including 9 of the 10 largest banks.
